Frank Kenney was outrun in the first part of the race, but finished fast and outgamed Meran in a sharp drive. Alpaca quit badly in the stretch. Mollie T. and Meran ran well.

May Holladay ran well and outgamed Alcom R. when it came to a hard drive. The latter made up much ground in the last furlong. Salto was interfered with at the start. Jicky was all over the track, bolted to the outside at the turn into the homestretch and finished next to the inside rail.

STAKES FOR MORRIS PARK.

Keeping well abreast with the other eastern racing organizations in the general movement to increase stake and purse values, the Westchester Racing Association has increased the added money to the Metropolitan Handicap to \$10,000, placing its chief handicap on a level with the Brooklyn, Suburban and Brighton Handicaps in respect to endowment. It will not be surprising if the Metropolitan exceeds in value to the winner the other races mentioned, as its shorter distance is liable to attract a greater entry. However that may be, it will be a very valuable stake to be contested by a crack field, as was the case last year, when Arsenal came home in front of seventeen other aspirants to its honor.

The Westchester Association has not confined its liberality to its big handicap only, but has increased values all along the line in its stakes advertised in this issue of DAILY RACING FORM. The list proffered the owners of the country is a big and important one. Entries are to close at midnight of Tuesday, February 10, and the stakes are as follows:

Winner—Blk. c. by Burlington—Mattie Amelia (trained by A. J. Nixon).
Went to post at 4:15. At post 1 minute. Start good. Won easily; second the same. Quincy took the lead at flagfall and, favored by the light impost, ran a good race. Holding his field safe all the way, Tobe Paine held his position throughout and was doing his best, but found the weight too much. Tripp finished strong under a weak ride. Pat Garrett tried after appearing dangerous at the far turn. Facade lost his rider when turning into the stretch.

Winner—B. f. by Rey el Santa Anita—Teodolina (trained by G. W. Baldwin).
Went to post at 2:15. At post 3 minutes. Start fair. Won driving; second easily. Isabelita was out on the stretch, where she moved up fast and finally won the field down, winning in the last stride. She favors stiff going. Tommy Mitchell is strictly a mudlark. He forced the pace throughout and was the best, but was caught napping at the end. Clarinette sustained her speed unexpectedly well. Alta G. was closing up strongly at the end. Pure Dale was crowded back in the last furlong. Master finished fast.

Scratched—37172 Anvil, 108; 37206 Gyros, 108; 37108 St. Winifride, 106.

Winner—B. g. by Pirate of Penzance—Miss Lexington (trained by J. Harris).
Went to post at 2:42. At post 1 minute. Start bad. Won easily; second driving. Harry Thatcher is at his best, trailed Nellie Forest to the stretch, where he unexpectedly caught and passed her in the last sixteenth and won going away. Nellie Forest led by a wide margin and appeared a sure winner for seven furlongs, then suddenly quit. Ed Adack lacked speed to a marked degree and was always a distant third. Honor Bright went well.

Scratched—37293 Brissac, 97.

Winner—B. g. by Emperor of Norfolk—Los Angeles (trained by T. Burns).
Went to post at 3:04. At post 2 minutes. Start good. Won easily; second the same. Favorito was skillfully ridden and waited on the pacemakers to the stretch, where he outstayed them and was going away at the end after a long, hard drive. Poorlands forced the pace from the start and, being excessively used, suffered from an incompetent ride and was easily best. Duke of York, outrun and sulky early, was closing up fast in the final furlong. Mike Rice went a good mile and tired.

Winner—B. h. by Sir Modred—Queen Bess, by Marden (trained by H. Stover).
Went to post at 3:32. At post 4 minutes. Start bad. Won driving; second easily. Kenilworth, lucky and skillfully ridden, forged into the lead on the far turn, came away without great urging in the stretch, seemingly outclassed the field and is a high class horse. Princess Titania ran a high class race, was the only serious contender throughout and was closing up very fast at the end. Yellow Tail, away poorly, closed up a big gap and finished fast. Lady Kent, badly ridden, failed to stay and was probably outclassed. Mocoito quit badly after running a good five furlongs. Stuyve practically had no chance at the start, but closed up a tremendous gap. Flush of Gold disliked the going.

Kenilworth, show, 1 to 3. Princess Titania, show, 4 to 5. Yellow Tail, show, 34 to 1. The entry, show, 1 to 2.

Winner—B. g. by The Greek—Peril, by Darebin (trained by W. Fisher).
Went to post at 4:01. At post 3 minutes. Start bad. Won easily; second the same. Evander, away well in his stride, made the running undisturbed throughout and won without urging. Wart Nicht was badly messed about, worked a rough journey to the stretch, where he closed up like a flash and was probably best. Champagne showed improved speed and held on well. Buzzer tired badly in the last quarter, but had scant chance with the bad ride. Mr. Farnum ran a bad race, notwithstanding that he was crowded at the half, losing much ground, but he failed to come on in the stretch.

Winner—B. h. by Autocrat—Silverlight (trained by H. Stover).
Went to post at 4:24. At post 3 minutes. Start good. Won easily; second the same. Autolight was driving in the early stages to get up, but finally wore Dottrel down in the stretch, and won easily up. Dottrel quickly raced into a long and apparently winning lead, but was tiring and swerving badly in the last furlong. Dupont, outrun for the first three-quarters, gradually closed up the ground and finished fast. Bright Phoebus evidently disliked the going and sulked throughout. Mission fell away after running a good half.

Overweights—King Herald, 5 pounds.

Autolight, show, out. Dottrel, show, 7 to 10. Dupont, show, 6 to 5.

We Handle Your Commissions.

To obviate leaks over the wire, and to prevent anyone from thwarting our planned daily coups, we are ourselves placing, through the foremost bookmaker of the country, Mr. Sol Lichtenstein, all of the money our clients wager on our selections.

Nothing is communicated over the wires by us before the races to our subscribers. As a symbol of good faith, however, the day's selections are placed in a sealed envelope, addressed to each subscriber, and put in the mail at the New Orleans general postoffice at 1 p. m. daily. We guarantee that no horse will be played for any client, except the name of that horse has been mailed to him in an envelope bearing the New Orleans post-mark not later than 2 p. m. of the day the races are run. After the races are run New Orleans clients can learn at our New Orleans office the names of the horses Mr. Lichtenstein has been instructed to play. New York clients can learn at our New York office, and out of town clients will receive the news by telegraph, if they so order—all telegrams at cost of subscriber. In addition, we undertake to place in the hands of the editor of the New Orleans Item before the races the selections the money will be played on, and also to advertise next morning the names of the horses in the New York Daily America, which is a recognized racing authority of the country.

For the security of persons to whom our fame and financial standing are unknown, and who wish to follow us at New Orleans, the Maxim & Gay Company refers to the State National Bank of New Orleans and turfmen generally.
